

**LEICESTERSHIRE COUNTY COUNCIL**

**DISTRICT OF HINCKLEY & BOSWORTH**

**RECTORY LANE, MARKET PLACE, MAIN STREET, PARK STREET, MARKET  
BOSWORTH**

**PROPOSED ONE WAY**

**STATEMENT OF REASONS**

Leicestershire County Council proposes to make the following order on behalf of Market Bosworth Parish Council:

Market Place and Main Street between Back Lane and Park Street are proposed to be one-way. These two roads will complement the existing one-way roads on Park Street and Rectory Lane to create a one-way system consisting of the four roads traveling in a clockwise direction.

The proposals are advertised as part of Market Bosworth Parish Councils redevelopment project of Market Place, which includes the provision of a 20mph speed limit and changes with on-street parking provisions to enhance safety within the area.

The changes are necessary due to reduced widths along Market Place with the on-street parking proposals, the changes will benefit safety of all highway users at the location.

Minor adjustments with road markings are proposed at the Rectory Lane and Sutton Lane junction, including junction improvements at Market Place with Station Road and Main Street, to ensure traffic flows without disruption in the newly proposed one-way system.
